29. if you speak nicely, they will look down on you (3)

Acting weirdly

And you too

It's obvious that you
came to see me--

What are you
planning?

Do you have some
more swear words
for me?

I regretted it a
lot after doing
that to you

I was too
angry then...

I was the one who
was wrong

Honesty...

I knew that you
hated me...

When you don't
even like me...

Thank you for
going out with me

Even if that happens...
but... why would you
cry about it...?

*He's really, really thinking
too much into this...*

I don't know...
I'm just
crying...

I really wanted the Nintendo...
Mom scolded me, said I can't but, she
bought it secretly and put it beside
my bed when I was sleeping...

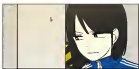

Your explanation
really has a lot of
detail!

Then are we...
going out again?

We must be...

If you bury it there, the cats will take it!

But... Can't I bury it near my house...?

Why are you stubborn about it being near your house?

Prince should be buried near my home

And Princess should be buried near Jin Rins' house!

All their names are Prince and Princess! Haha

Can you tell them apart...?

All~ If I bury them near our houses, they will become our guardian angels and help our blossoming love

Look, what a stupid idea!

?

You're beautiful
and I want to go
out with you again!

You were my whole
world! Don't leave
me!

Sai

I think you and I were
fated to be together.

REALLY IN WHAT WAY?

If not, our names
wouldn't be so similar.
Isn't that amazing?

Feeling queasy

I am more worried at
you saying something like
that without your face
changing colour...

It's destiny that
we both found
each other!

Why??

Later, I come outside to do mom's errands just now

Then can I go with you?

No??

???

When you speak nicely, they look down on you
